President's Message

Jim Carmichael

At the upcoming AGM my term as President will end and Marcus Miller will take over the reins.

2022-08-09 7:34 PM Page **1** of **10**

When my term started a year ago, I hoped I would be presiding over the "return to normal" Sadly the impact of the pandemic is still with us in so many ways - Travel, while increased is not yet, and many other elements of our life like supply logistics are still in disarray. Perhaps most importantly, so is the impact on health and many of our Members not yet comfortable with returning to the world.

I hope Marcus will see this happen. I hope everyone will be able to once again come back to what PROBUS is about - friendships

Enjoy the rest of the summer

Current Speaker August 11, 2022, Sarah Schnobel

Sarah Schnobel spent her 37-year career with Veterans Affairs Canada, working in the social services field. She graduated from McMaster University with a degree in Physical Anthropology and added to her knowledge with certifications in Case Management, Gerontology, Mental Health, and Addiction.

For the last 26 years of her career, Sarah was the Client Service Team Manager at the Veterans Residences, Sunnybrook Hospital. There, she was responsible for providing services and programs to over 500 Veterans

residing in the Long Term Care and Complex Care units.

She has extensive knowledge of the myriad of services, benefits, and programs available to residents in Ontario.

2022-08-09 7:34 PM Page **5** of **10**

Sarah was awarded Queen Elizabeth II, Diamond Jubilee Medal, in 2012 for her outstanding care and service to the Veteran community.

The talk touches on all the items that none of us want to think about....but need to in order to ensure our wishes are respected and carried out at the appropriate time.

Recent Guest Speaker July 14, 2022, Dr. Mohamad Fakih

Those who missed the July 14 meeting certainly missed a fantastic speaker. Mohamad Fakih is a Lebanese-Canadian businessperson and Philanthropist. Founder of the Middle Eastern Halal restaurant chain, Paramount Fine Foods, Dr. Fakih is also known for his charitable work, philanthropy, and community service. I would also add that he is a great public speaker and a great Canadian.

Mr. Fakih emigrated to Canada in 1999, and Paramount now has over 2000 employees. His comments included thoughts on how lucky we are to be Canadian today, and the opportunities we have here that are not available in other parts of the world. He spoke on his experiences of being an immigrant,, building a successful, restaurant chain, and the

importance of being active in the community during times of upheaval and change.

Much of his relaxed presentation focused on "doing the right thing" especially when dealing with employees during the period of Covid. He focused on the importance of learning about dealing with people under the tough times of the past two or three years. Dr. Fakih stressed the long-term value of learning from recent experiences, from his personal experiences,

Dr. Fakih's speech captivated the 45 members who attended.

Upcoming Speakers September 8, 2022, Mr. Peter Black

Mr. Black grew up in Saskatchewan but has lived in Ottawa since 1970. He holds degrees in Economics and Political Science. He was a career civil servant providing policy analysis in the

Saskatchewan and Canadian governments. In 2001, he became a member of Fair Vote Canada (FVC), a not-for-profit organization dedicated to bringing about a proportional representation system for provincial and federal elections. He served at that time for several years on the Executive of the National Capital Region (NCR) Chapter of FVC and on the National Council of FVC for six

years. During the 2007 referendum on PR in Ontario, he coordinated the "Yes" campaign in Ottawa. Peter was recently reelected as an executive member of the NCR Chapter of FVC.

Mr. Black will talk about a proportional system for voting, used by most democracies and

2022-08-09 7:34 PM Page **7** of **10**

that some are advocating as a replacement for the first-past-the-post system now used in Canada.
